

The VIKINGS Are Back!

Sat 30th June, Mitre Field, Repton
10.00am till 4.00pm - Free Entry

Last here in 874 AD, they used St Wystan's as a fortified gateway in a defensive ditch, destroyed the monastery and exiled King Burgred.

Come and meet Viking re-enactors who will be camping and living the part here. Demonstrations, have a go archaeology, historic tours and maybe the odd skirmish.

Plus!

A talk by Dr Cat Jarman on this year's Repton Dig and her ongoing research work – St Wystan's Church at 4.30pm. (£3 admission)
